

Spend a night in Corcovado National Park, all inclusive.

The adventure starts at 5am with the tour operator. We provide transport from Drake Bay to the National Park and back. At 5:30am we take the boat for an hour and a half to the entrance station. There we step onto the ground of Corcovado National Park and check into our accommodation.

Afterwards we go on a 4-hour hike in the park. Back at the station we have lunch and a 2-hour break. Afterwards we go on another hike for 3 hours and return to the station at 5pm. Dinner is served at 6pm.

Sirena Station offers wifi access for guests.

It is not possible to hike at night. Therefore, we start our hike again at 5 am. Breakfast is served at 8am, followed by another 4-hour hike. At 11:30 we return to the station and make our way back to Drake Bay. Lunch will be served at Casa Gitana at 2pm.

In Corcovado National Park there is the possibility of seeing various animals, including snakes, macaws (Macao), toucans (Pico Iris) and many species of birds. Also to be found are coatis, peccaries, pumas, ocelots, raccoons (mapache), tapirs (danta), various species of monkeys and many amphibian species.

Enjoy this unique experience in Corcovado National Park and discover the fascinating wildlife of Costa Rica. Book your tour now and be ready to experience the beauty of nature!
