

Experience an exciting night on a private finca where you can discover the fascinating wildlife that only comes out at night. This unique tour offers you the opportunity to observe rare and fascinating creatures and learn more about their behaviour and way of life.

Accompanied by experienced guides and in a small group, you set off at nightfall. The finca is a perfect habitat for many nocturnal animals, including bats, beetles, frogs, owls and more. During the tour you will have the opportunity to see these fascinating creatures in their natural habitat and discover their unique characteristics.

The guides are experts at spotting the animals and giving you information about their lifestyle, adaptations and importance in the ecosystem. They will also answer your questions and share their knowledge with you to give you a comprehensive understanding of the wildlife at night.

The tour is conducted with great consideration for the animals so as not to disturb their natural environment. It is a special experience to experience the sounds and smells of the night and discover the hidden treasures of nature.

Please note that this tour may require some physical fitness as it takes place over uneven terrain and possibly in the dark. It is recommended to wear appropriate clothing and shoes with good traction.

Come with us on this unforgettable night tour on a private finca and be enchanted by the beauty and diversity of wildlife at night. It's a unique opportunity to experience nature in a whole new light and create memories that will stay in your heart for a long time.
