

The tour to Sirena National Park is an absolute highlight for nature lovers and adventurers. Here you will experience untouched nature and an incredible diversity of species. With an experienced guide, you will explore the dense rainforest and have the chance to discover monkeys, sloths, exotic birds and much more. A boat trip along the rivers also allows you to experience the fascinating underwater world. Respect nature and follow the rules to preserve this protected area. The tour to Sirena National Park is an unforgettable adventure that connects you with the beauty and richness of Costa Rican nature.

The tour usually starts early in the morning when you are picked up from your hotel or the agreed meeting point. From there you will go by boat or on foot to the entrance of the national park. The path leads through dense rainforest lined with exotic plants and rare animal species.

When you return from the tour, a delicious lunch awaits you to round off the trip perfectly.
